Signed by the giver

This is not a gift certificate; it is a promise to cover the recipient's dues in the Toastmasters club of their choice upon signing up as a new member or renewing their existing membership. This is an agreement between the giver and the recipient only. Recipients can present the giver their receipt for joining or Renewing and be reimbursed by the giver. The spirit of this promise is to provide a way for givers to encourage and support the growth of others that they want to see start or continue their Toastmasters journey.

## **How the Toastmasters Membership Promise Certificate works**

This Promise Certificate can be downloaded at no charge and given as a gift to a recipient of their choice.

Givers can establish an expiry date and/or a set dollar amount if they wish.

Once the recipient has joined a Toastmaster club and paid their joining dues (or renewed an existing Membership), they can present this Promise Certificate to the giver and be reimbursed.

This is not a gift certificate and cannot be presented as payment to any club directly for dues; rather, it is an agreement between the Giver and Recipient only.

The spirit of this Promise Certificate is to provide a way for Givers to contribute towards the growth of others and to support them on their new or continued Toastmasters journey.

This is a District sanctioned promise certificate and not a Toastmasters International initiative.
